As you all are aware an Eco-Sensitive Zone has been declared by the GoI under Environment (Protection) Act in an area varying from 0-5 km around the boundary of the Dalma Wildlife Sanctuary. The Forest Department has been mandated to prepare a Zonal Master Plan for Dalma Eco-sensitive Zone in such manner as are specified under the Wildlife (Protection) Act, the law relating to town and country planning for the time being in force in the state, the divisional working plans and the guidelines issued by the Central Government.
