Deputy Conservator of Forests, Planning, Tribal Area, Ranchi.
2. OBJECTIVES & SCOPE OF WORK

(i) Background

The Forest, Environment & Climate Change Department, Jharkhand is responsible for planning, promoting, coordinating, and overseeing the implementation of environmental and forestry programmes in the state. Jharkhand is having a total forest area of 23,605 sq. km. (3.37 % of total geographical area). According to the Indian State of Forest Report the percentage of forest area to State’s Geographical area is 29.61%, while total Forest and Tree cover of Jharkhand is 32.74%. The per capita Forest area is 0.079 ha.

(ii) Project Area

The Project Area covers the entire state of Jharkhand comprising each & every establishment of the forest department. The name of all the major establishments of the Jharkhand forest department is annexed here with as ANNEXURE – A.

(iii) The main objectives of Jharkhand Forest Department:

- Protection, conservation, extension and scientific management of 23,605 sq. km of forest lands of the state to meet the various tangible and intangible/ direct and indirect needs of the present as well as future generations from the forest.
- To meet the livelihood needs of rural population in general and forest dependent communities in particular.
- To reduce pressure on forest through appropriate interventions by way of alternative sources of livelihood.
- To achieve the goal of 33% of State’s geographical area under the forest cover.
- To carry out afforestation in non-forest lands to increase the tree cover outside the forest area.
- To sustainably conserve and manage biodiversity-rich ecosystem through in-situ and ex-situ conservation such as National parks, Sanctuaries, Biological Parks, Breeding centers and Zoos.
- To generate public awareness about importance of forests.
- To impart knowledge and skill to forest personnel to develop competence for managing the forest and wild life resources of the state on a sustainable basis so that the ultimate target of prevention of Climate Change and maintaining a vibrant ecosystem, is achieved.
- To achieve the above objectives the Jharkhand Forest Department, it needs planning of the existing manpower and assessing the future requirements for all categories of officers/staffs for next ten years.

(iv) EOI Processing Fees

A non-refundable processing fee for Rs. 5,000/- (Five Thousand Rupees only) in the form of a Demand draft or a Pay Order of any Nationalized /Scheduled Banks of in India drawn in favor of Chief Conservator of Forests, personnel, Gazetted Jharkhand, Payable
at Ranchi has to be submitted along with the EOI response. Bids received without or with inadequate EOI processing fees shall be liable to get rejected.

(v) **Overall Goals and Operational Objectives for Human Resources Audit**;

A. **To conduct Audit of the Human Resources**;

Study plan of the existing manpower and activities/work and to project year wise future manpower requirement for all categories of staff for the next ten years in Administrative offices, Field offices, Technical & Non-technical employees along with workers of both on permanent role or on contract basis stationed throughout the State. While assessing the future requirement of manpower, it should be taken into consideration that the department is poised for up gradation in the near future. The consultant would be required to prepare a detailed job description for each position to serve as an organizational aid for identifying and delegating responsibilities, coordinating and dividing responsibilities of work and prevention of duplication of efforts.

B. **To study the activities/work which may be outsourced or contracted for the fixed term at lower level and to make recommendations in this regard identify key attributes and skills required for each & every level. These attributes shall be elaborated in such a manner that occupant of the post is aware of his responsibilities and targets to be achieved each year and his superior also becomes aware of the expected and attained outcomes of his subordinates in a time bound manner.**

The consultant will study the existing system and suggest interventions for a systematic & periodic review of individual performance & identify development opportunities.

- **To assess the current capabilities and competencies of staffs and suggest the changes if required**.

- **To establish future talent and skills (human capital) need based**

- **To establish gaps in “people performance” across various functions and technology interventions & to create method of assessing the ultimate achievement including regular feedback from people residing inside the forest areas.**

(vi) **Scope of the Audit Services**

The Consultancy Firm, (since project is being implemented in the State) is expected to provide the Jharkhand Forest Department with comprehensive HR Audit Report on the Audit done by the consultant for each and every forest establishment of the state and the Department with workable solutions so that by following it, the Jharkhand Forest Department achieves its objectives, study the current practices and recommend the best practices in line with other Govt Departments.
(vii) **HR Audit includes:**

Study of available manpower of each establishment located throughout state, restructuring of the existing manpower outlining individual functions & responsibilities and to project year wise manpower requirement for the future so that our objectives which is mentioned in Para -2 (iii) can be achieved within next 10 years with a scope for mid-term review.
