  - (c) "Client" means the project Executive Entity responsible for implementation of the project and that signs the Contract for the Services with the Service Provider.
  - (d) "Service Provider" means a legally-established entity that may provide or provides the Services to the Client under the Contract.
  - (e) "Contract" means a legally binding written agreement signed between the Client and the Service Provider and includes all the attached documents listed in its Clause (the General Conditions of Contract (GCC), the Special Conditions of Contract (SCC), and the Appendices).
  - (f) "Data Sheet" means an integral part of the Instructions to Service Providers under Section 2 that is used to reflect specific assignment conditions to supplement, but not to over-write, the provisions of the Instructions to Service Providers.
  - (g) "Day" means a calendar day.
  - (h) "Experts" means, collectively, Key Experts, Non-Key Experts, or any other personnel of the Service Providers.
  - (I) "Government" means the State Govt of Jharkhand
  - (j) "Key Expert(s)" means an individual professional whose skills, qualifications, knowledge and experience are critical to the performance of the Services under the Contract and whose CV is considered in the technical evaluation of the Service Provider's proposal.
  - (k) "Proposal" means the Technical Proposal and the Financial Proposal of the Service Provider.
  - (l) "RFP" means the Request for Proposals to be prepared by the Client for the selection of Service Provider
  - (m) "Services" means the work to be performed by the Service Provider pursuant to the Contract.
  - (n) "TORs" (this Section 5 of the RFP) means the Terms of Reference that explain the objectives, scope of work, activities, and tasks to be performed, respective responsibilities of the Client and the Service Provider, and expected results and deliverables of the assignment.
- 2 Introduction
- 2.1 The Client named in the Data Sheet intends to select a Service Provider, in accordance with the method of selection specified in the

Data Sheet.

2.2 The Proposal will be the basis for negotiating and ultimately signing the Contract with the selected Service Provider

2.3 The Service Provider should familiarize themselves with the local conditions and take them into account in preparing their Proposals, including attending a pre-bid meeting as specified in the Data Sheet. Attending any such pre-bid meeting is optional and is at the Service Provider expense.

- 3 Conflict of Interest
- 3.1 The Service Provider is required to provide professional, objective, and impartial advice, at all times holding the Client's interest's paramount, strictly avoiding conflicts with other assignments or its own corporate interests and acting without any consideration for future work.
- 3.2 The Service Provider has an obligation to disclose to the Client any situation of actual or potential conflict that impacts its capacity to serve the best interest of its Client. Failure to disclose such situations may lead to the disqualification of the Service Provider or the termination of its Contract and/or sanctions by the Client.

**B. Preparation of Proposal**

- 4 General Considerations
- 4.1 In preparing the Proposal, the Service Provider is expected to examine the RFP in detail. Material deficiencies in providing the information requested in the RFP may result in rejection of the Proposal.
- 5 Cost of Preparation of Proposal
- 5.1 The Service Provider shall bear all costs associated with the preparation and submission of its Proposal, and the Client shall not be responsible or liable for those costs, regardless of the conduct or outcome of the selection process. The Client is not bound to accept any proposal and reserves the right to annul the selection process at any time prior to Contract award, without thereby incurring any liability to the Service Provider.
- 6 Language
- 6.1 The Proposal, as well as all correspondence and documents relating to the Proposal exchanged between the Service Provider and the Client, shall be in English
- 7 Only One Proposal
- 7.1 The Service Provider shall submit only one Proposal. If a Service Provider submits or participates in more than one proposal, all such proposals shall be disqualified and rejected. This does not, however, preclude the Service Provider staff from participating as Key Experts and Non-Key Experts in more than one Proposal when circumstances justify

- 8 Proposal Validity 8.1 The period of the validity of the proposal will be in accordance to clause 6 of the Datasheet
- 9 Amendment of RFP 9.1. At any time before the proposal submission deadline, the Client may amend the RFP by issuing an amendment in writing or by standard electronic means.  
9.2. If the amendment is substantial, the Client may extend the proposal submission deadline to give the Service Provider reasonable time to take an amendment into account in their Proposals  
9.3 The Service Provider may submit a modified Proposal or a modification to any part of it at any time prior to the proposal submission deadline. No modifications to the Technical or Financial Proposal shall be accepted after the deadline.
- 10 Technical Proposal Format and Content 10.1 The Technical Proposal shall not include any financial information. A Technical Proposal containing material financial information shall be declared non-responsive.
- 11 Financial Proposal Taxes 11.1 The Financial Proposal shall be prepared using the Standard Forms provided in the RFP.  
11.2 The Service Provider will be responsible for meeting all tax liabilities arising out of the Contract unless stated otherwise.

**C. Submission, Opening and Evaluation**

- 12 Submission, Sealing, and Marking of Proposals 12.1 The Service Provider shall submit a signed and complete Proposal comprising the documents and forms as specified in the RFP. The submission can be done by registered post/speed post/courier service or by hand.  
12.2 An authorized representative of the Service Provider shall sign the original submission letters in the required format for both the Technical Proposal and, the Financial Proposals and shall initial all pages of both.  
12.3 Any modifications, revisions, interlineations, erasures, or overwriting shall be valid only if they are signed or initialed by the person signing the Proposal.  
12.4 The signed Proposal shall be marked "ORIGINAL", and its copies marked "COPY" as appropriate. The number of copies is indicated in the Data Sheet. All copies shall be made from the signed original. If there are discrepancies between the original and the copies, the original shall prevail.  
12.5 The original and all the copy of the Technical Proposal shall be placed inside a sealed envelope clearly marked "TECHNICAL PROPOSAL", "[Name of the Assignment] ", reference number, name and address of the Service Provider.

12.6 Similarly, the original Financial Proposal shall be placed inside of a sealed envelope clearly marked "FINANCIAL PROPOSAL" followed by the name of the assignment, reference number, name and address of the Service Provider.

12.7 The sealed envelopes containing the Technical and Financial Proposals shall be placed into one outer envelope and sealed. This outer envelope shall bear the submission address, RFP reference number, the name of the assignment, Service Provider's name and the address.

12.8 If the envelopes and packages with the Proposal are not sealed and marked as required, the Client will assume no responsibility for the misplacement, loss, or premature opening of the Proposal.

12.9 The Proposal must be sent to the address indicated in the Data Sheet and received by the Client no later than the deadline indicated in the Data Sheet, or any extension to this deadline. Any Proposal or its modification received by the Client after the deadline shall be declared late and rejected.

13 Confidentiality

13.1 From the time the Proposals are opened to the time the Contract is awarded, the Service Provider should not contact the Client on any matter related to its Technical and/or Financial Proposal. Information relating to the evaluation of Proposals and award recommendations shall not be disclosed to the Service Provider who submitted the Proposals or to any other party not officially concerned with the process, until the award of Contract.

13.2 Any attempt by the Service Provider or anyone on behalf of the Service Provider to influence improperly the Client in the evaluation of the Proposals or award of Contract may result in the rejection of its Proposal.

13.3 Notwithstanding the above provisions, from the time of the Proposals' opening to the time of award of Contract, if a Service Provider wishes to contact the Client on any matter related to the selection process, it should do so only in writing.

14 Opening of Technical Proposals

14.1 The Client's evaluation committee shall conduct the opening of the Technical Proposals in the presence of the Service Providers authorized representatives who choose to attend (in person). The envelopes with the Financial Proposal shall remain sealed and shall be securely stored with a client's office or reputable independent authority until they are opened.

15 Evaluation of Technical Proposals

15.1 The Client's evaluation committee shall evaluate the Technical Proposals on the basis of their responsiveness to the Terms of Reference and the RFP, applying the evaluation criteria, sub-criteria, and point system specified in the RFP. Each responsive Proposal will

be given a technical score. A Proposal shall be rejected at this stage if it does not respond to important aspects of the RFP or if it fails to achieve the minimum technical score indicated in the RFP.

- 16 Opening of Financial Proposals (for QCBS methods) of 16.1 The Client shall intimate the date, time and location for the opening of the Financial Proposals.  
16.2 The Financial Proposals shall be opened by the Client's evaluation committee in the presence of the representatives of those Service Provider's whose proposals have passed the minimum technical score. The Service Provider attendance at the opening of the Financial Proposals (in person, or online if such option is indicated in the Data Sheet) is optional and is at the Service Provider's choice. These Financial Proposals shall be then opened, and the total prices read aloud and recorded.
- 17 Correction of Errors of 17.1 Activities and items described in the Technical Proposal but not priced in the Financial Proposal, shall be assumed to be included in the prices of other activities or items, and no corrections are made to the Financial Proposal
- 18 Quality- and Cost-Based Selection (QCBS) and 18.1 In the case of QCBS, the total score is calculated by weighting the technical and financial scores and adding them as per the formula and instructions in the RFP. The Service Provider achieving the highest combined technical and financial score will be selected for award of contract.

#### Selection of Project Facilitating Agency for implementation of NAFCC project "Enhancing Climate Resilience of Forests and its Dependent Communities in Two Landscapes of Jharkhand"

##### (A) Background

The livelihoods of the agrarian communities of Jharkhand, which are dependent mainly on agriculture and natural resources, have been adversely affected because of the changes in the climatic condition in the state. In this context, an adaptation project under National Adaptation Fund for Climate Change (NAFCC) has been conceptualised to address the vulnerabilities of livelihoods due to changes in climatic condition, improve coping mechanism and practices including promotion of indigenous methods adopted by the communities for dealing with the adverse consequences of the changing climate. The project has been sanctioned under NAFCC with a total budgetary outlay of Rs. 24.732 crore.

The project is designed to be implemented across 48 villages of Patratu Block of Ramgarh district and Narayanpur Block of Jamtara district. The selection of landscape was based on the state vulnerability analysis carried out by UNDP during 2014.

##### Landscape Details

	Narayanpur Landscape	Patratu Landscape
District	Jamtara	Ramgarh
Block	Narayanpur	Patratu
Village	Barowa, Lakhanpur, Matuadi, Kenduatanr, Palta, Daldala, Ghortari Thekbahiar, Madhuban, Phutaha, Bhagabandh, Goditanr, Mahuadabar, Bhaiyadi, Ledhariya, Kumargariya, Rautdih, Paharpur, Birsinghpur, Ratanpur, JoBriasdhaurnitanr, Narayanpur, Mahtodi, Chitarpur, Naudihani, Raghunathpur, Purnighati, Marichbad and Purna Nagar	Tokisud, Talapur, Talatanr, Solea, Palu, Hariharpur, Bartua, Palani, Batuka, Haphua, Koto, Osam, Terpa, Lem, Kirigara, Ukrid, Kurbij, Ichapiri, Rocha, Bicha, Dparidih and Sahitanr

##### Project Objectives

- ✓ To enhance capacities and providing support services for facilitating Adaptation
- ✓ To improve forest micro-climate through Soil and moisture conservation (SMC) & Water Harvesting (WH)
- ✓ To enhance gender sensitive and climate resilient livelihood systems
- ✓ To bring about small wood use-efficiency and alternative material use

- ✓ To bring about Energy use-efficiency and Alternative Energy use

### **Gaps to be addressed through the project**

- **Capacity building**
  - Available skill sets (Community based cadres)
  - Measuring indicators for development
  - Behavioral changes for adoption to adaptation
- **Facility or Infrastructure**
  - Infrastructures for irrigation
  - Initiating social safety nets like Grain Golas
  - Energy efficient systems
- **Income gaps**
  - Low carbon farming practices
  - Integrated farming systems (Land and water based)
  - Tree based and animal husbandry based livelihood systems
- **Action research**
  - Data collection on all proposed practices

### **Proposed outcome from the project**

For detailed of the project related output the bidding agency/service provider might refer to the NAFCC DPR available at MOEF&CC web-portal.

### **(B) Objectives of the assignment**

- a. Capacity building of the community and integrate support service for adaptation
- b. Promoting gender sensitive and climate resilient livelihood systems through promotion of low carbon farming, facilitate crop intensification and diversification and promote non-farm livelihood practice.
- c. Responsible for establishment of project baseline and supporting monitoring in line with the requirement of national implementing entity

### **(C) Proposed Structure of Engagement of Service Provider**

The service provider should have a core team of experts headed by the team leader and comprise of team members with expertise on climate change, climate resilient agriculture, alternate livelihood promotion, M&V and finance specialist.

The service provider needs to depute two persons on a permanent basis at each landscape office, responsible supporting officers of respective landscape in implementation of the project, responsible for developing the baseline report, project report and any other report as specified under the deliverable of the ToR. The two members team deployed by the service provider at each landscape will work under the guidance and supervision of the respective DFOs.

The resources (both part time and full time) to be deployed by the service provider should carry their own laptops, data card for internet facilities and mobile for communications.

The detailed manpower deployment requirement and the roles and responsibilities as against each position is specified below:

**D.2 Activity 2: Promotion of Gender sensitive and climate resilient livelihood systems**

The activity will encompass promotion of low carbon farming, facilitate crop intensification and crop diversification and promotion of livestock based non-farm livelihood activities. The details of the activity is presented in the section below:

**Low carbon farming:** Project proposes to promote low carbon farming including gradual shift to natural farming. This will help in improving soil organic carbon and will also facilitate growth of earth worms for natural tillage and improve biological activities in the field.

**Crop Intensification:** The activity proposes for adoption of crop intensification methodology. Intensification also reduces GHG emission from paddy fields. It also reduces losses due to lodging of crops besides improving the straw yield and hence the fodder availability for the animals. Under the project intensification will be promoted in all possible crops.

**Crop Diversification:** Crops will be diversified, and methodology of relay cropping will be used. This will reduce exposure of the soil to the forces of erosion. It will also improve resilience by improving the risk bearing capacity of farmers. Mixed farming under diversification will improve the nutritional security along with the food security. It will help the labour force in competitive wage market. It will help in building resilience by reducing exposure of soil and by having more crop per unit area. It will also improve the soil texture of the field.

**Promotion of livestock-based livelihood promotion:** Livelihood diversification is a proven method for climate resilience among communities who are dependent on climate sensitive sectors like agriculture for their livelihood. Activities proposed under this include promotion of vegetable/kitchen garden, animal husbandry, backyard poultry, mushroom etc.

**Deliverable:**

1. Periodic progress report, in narratives as well as in prescribed format

**Output:**

1. Promotion of IPM and INM across 90 ha
2. Promotion of SRI across 646 ha
3. Promotion of low carbon farming across 151 ha
4. Facilitate maize extension across 50 ha
5. Facilitate millet extension across 69 ha
6. Demonstration of pulses cultivation across 52 ha
7. Establishment of 8 numbers of value addition units
8. Setting up of 4 number of maize peeling machine
9. Establishment of 129 numbers of poultry unit, 30 numbers of piggery unit, 6 numbers of mushroom unit, 130 numbers of duckery unit and 30 numbers of heifer rearing unit.
10. No of beneficiaries to be served- 4711 under agriculture and value addition activity and 1505 under animal husbandry-based livelihood
